Trenton, Fr. G.H. Netemeyer Council #2932

"76 Years of Caring"

The Honorable Cheri Wright, Mayor
and Lebanon City Council

Mayor Wright
and Council Members,

On September 17 and 18, 2021, the Illinois Knights of Columbus will conduct their consecutive candy drive (tootsie rolls) with all collected funds directed to assist agencies, schools, workshops, and other organizations who serve people with intellectual disabilities.

For many years, the Trenton K of C Council 2932 has manned, with the Lebanon council's permission, the Route 50/Route 4 intersection. We again ask your permission to utilize the Lebanon four-way intersection as a means to collect for this most worthy cause.

Last year, we contributed to 13 area groups, including Lebanon High School's special education department and the Lebanon group home. We thank you for your past support and pray you will honor our request again in 2022
