

CITY OF LEBANON

STORM DAMAGE | STREET DEPARTMENT

To whom it may concern:

Below is an inspection of Dean Heir's driveway and sidewalk with square footage and dimensions.

- West Sidewalk: 22' x 4' = 88 sqft.
- East Sidewalk: 10' x 4' = 40 sqft.
- Driveway: 13' x 5' = 65 sqft.

Sidewalk total is 128 sqft x \$ 0.60 = \$76.80.

Driveway total is 65 sqft x \$0.80 = \$52.

The grand total for both the driveway and sidewalk portions would be \$128.8.
