Ms. Cheri Wright,

REF: PERMISSION FOR EVENT

Friday Dec 2, 2022 -12pm-3pm

I am requesting to have a few intersections barricaded (intersection of W. Schuetz/Monroe, intersection of Monroe/St. Louis Street, intersection of St.Louis St/Pearl street, intersection of Pearl St/W. Schuetz) and the following streets (Monroe, St. Louis Street (brick street), Pearl and W Schuetz) closed down in town in order to have a homecoming parade.

The route we intend to take would be to start out at our school (Lebanon High School) in the back parking lot, head North on Monroe Street, make a right and head east on St. Louis Street (brick street road), make another right and head South on Pearl Street, finishing our Parade on West Schuetz Street heading back into the high school parking lot.

If it is possible, kindly let us have this portion of the town shut down from 12pm-3pm the day of the parade (Friday, December 2nd, 2022). We will place No Parking signs along the route. We are also requesting barricades to be placed at the intersections listed above and permission to put No Parking Signs along the route listed above.

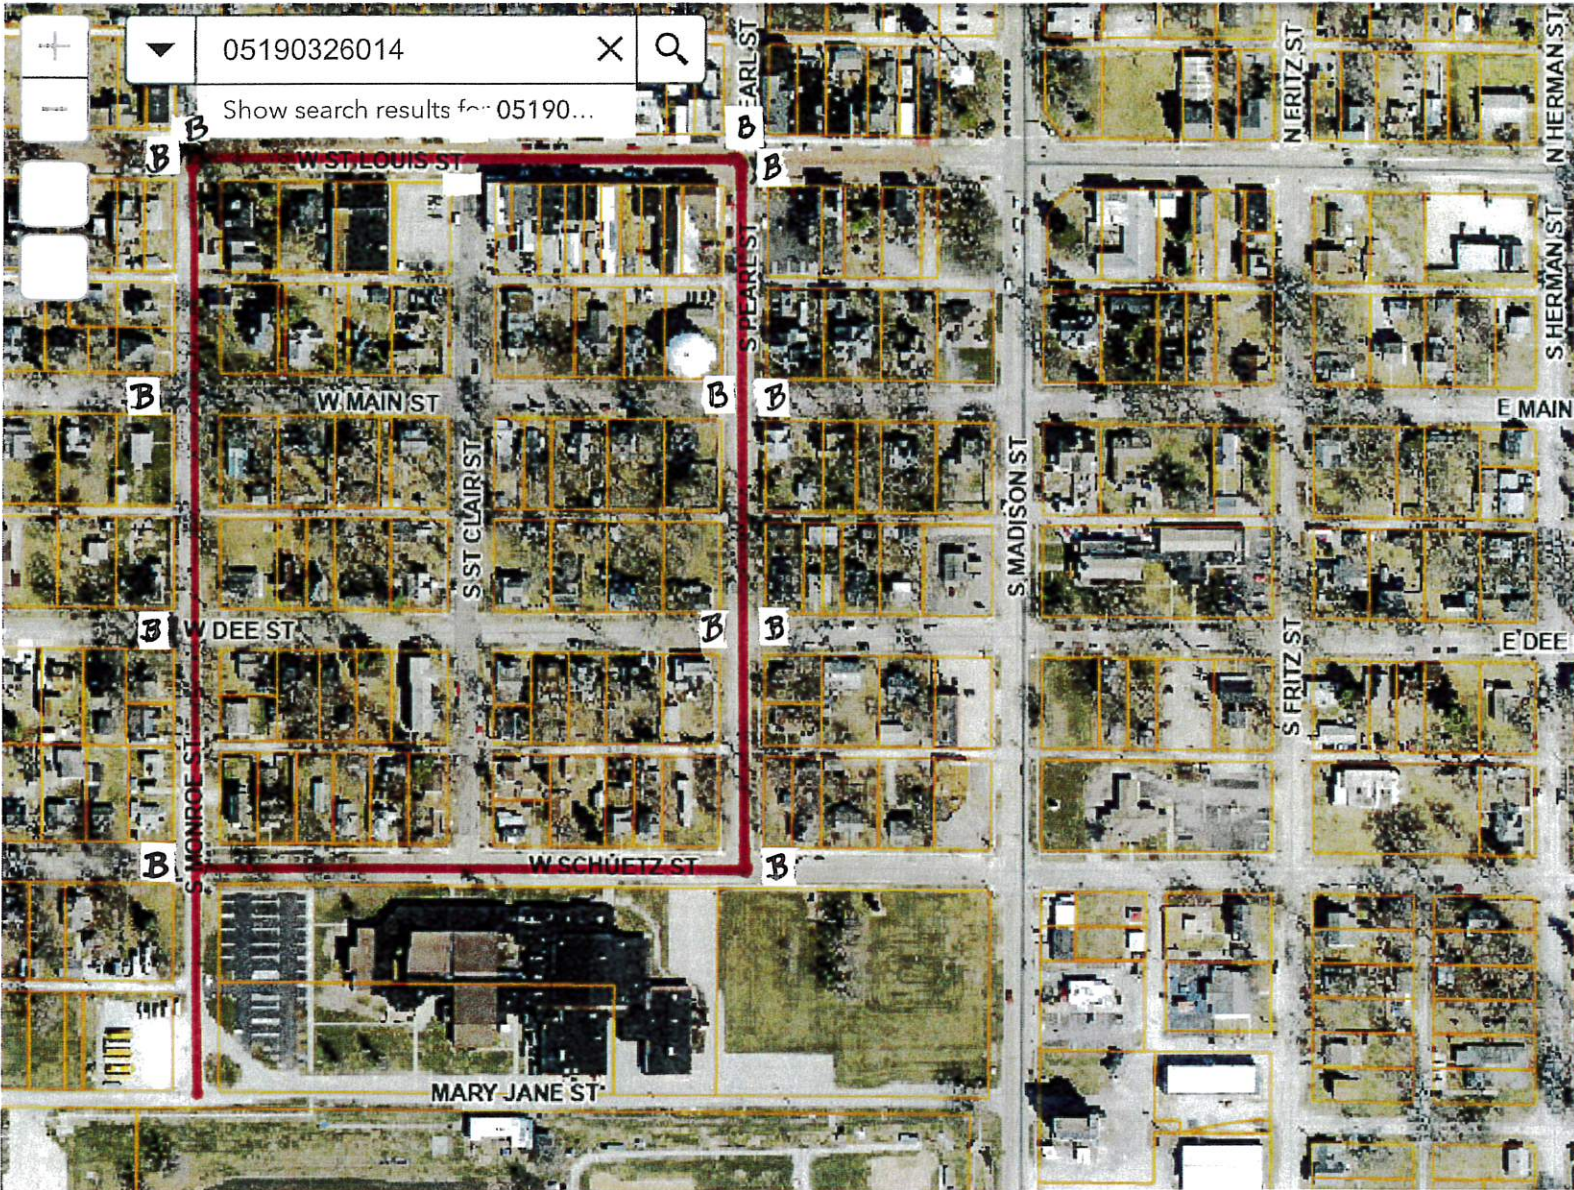

Thank you for your consideration,

Kimberly Emrick
